

OCTOBER 2017

It's Time to Sign Up for the San Mar Annual Christmas Elf Program

Dear Friends of San Mar Children (this includes our Treatment Foster Care Children & Bester Children):

We invite you to join our annual Christmas Project. Each year giving people like you include San Mar Children on your Christmas shopping list. Thank you for sharing your love and joy this Christmas.

Here's how it works (or just a reminder for repeat Elves): We are asking our children to complete Christmas wish lists. We collect the lists and place them in the care of volunteer Kristy Smith. Kristy will match you with a child. We provide the child's first name, favorite colors, age and other information. Once you have the gifts, we ask you to wrap them, put the child's name on them, and deliver them to San Mar by December 15th. **Please return the gift list; we ask that you include your name and address on the back of the list.**

Thank you for giving. Your help is genuinely appreciated.

If you would like to participate, please contact Kristy Smith. Kristy can be reached at kristyathome@hotmail.com or 240-285-8894. E-mails are the best way to communicate for Kristy!

Merry Christmas,

Terri Siefert
Director of Development
